For people who were moved by Postsecret and Humans of New York comes a brave, necessary nonfiction debut told in photos and stories by survivors of mental illness.

Summary: A semicolon tattoo says you’re choosing to continue your life story rather than end it. Amy Bleuel began the suicide-awareness and storytelling organization Project Semicolon in 2013 to spread a message of hope: no one struggling with mental illness is alone; you, too, can not only survive but live a life filled with joy and love. In support of the project and its message, hundreds of people all over the world have gotten semicolon tattoos and shared photos of them, often alongside stories of hardship, growth, and
An exhilarating dive into the secret history of humankind’s race to the moon, from acclaimed author Amy Cherrix. For fans of *Bomb* and *Symphony for the City of the Dead*.

**Summary:** You’ve heard of the space race, but do you know the whole story?

The most ambitious race humankind has ever undertaken was masterminded in the shadows by two engineers on opposite sides of the Cold War: Wernher von Braun, a former Nazi officer living in the US, and Sergei Korolev, a Russian rocket designer once jailed for crimes against his country.
